On July 1st we have opened a new page: our new Web site (<http://www.myhcgrouppint.com>) is just a visible sign of what we did in the last months for renewing our Company and be ready for reaching more and more clients and more and more partners and more and more new Countries.

HC is simply the acronym of **H**appy and **C**o: easy to say, simple to remember, fast to write. As we want our business to be, **easy - simple -fast!**

We will complete all the brand changes in the next 6 months, but our communication since now will be at the name of HC group.
