

WITH YESTERDAY WE CLOSED A PAGE
TODAY WE HAVE OPENED A NEW
PAGE THAT WE WILL BE FILLING ALL
TOGETHER TO INFINITY

During three years we have been studying and learning. We have been dedicated to fully understand this new, for us, world of network marketing, to finalise the best approach for helping people to be happy, to create a fantastic offer both in well-being and in business.

We have done a tremendous experience. We have developed the new Celloergy concept for helping partners to easily explain the fantastic activity and results of our products, we have improved our marketing plan to better fill with the modern MLM market, we have opened two new enormous markets, USA and RUSSIA.

We met some fantastic persons, for better or for worse, we have had rich positive and negative exchanges with people....we have spent three excellent years, but... yesterday, June 30th, 2016 we have turned the page.

TODAY, on July 1st, 2016, we open a new page of our history. More and more convinced of our Company, we will fill this new page with the best persons, persons who, like us, loves the transparency and truth, ethics and loyalty, all together for helping people to find the right way to HAPPINESS.

We have decided to simplify and dynamize the whole structure of HAPPY.CO.

The HC group is the result of the new international structure, highly capitalized, organized for a rapid and straight enlargement worldwide, of the improvement of the HC website, easy and user friendly, of the new back office complete and skilled, of the new very attractive marketing plan. These are only some of our new HC group main benefits, to build a lasting and satisfactory personal improvement through a fantastic mission.

TAKE YOUR WELL-BEING IN YOUR HANDS,
BE HAPPY HANDS BY HANDS WITH
OUR NEW WORLD, THE WORLD
OF HC GROUP.

A handwritten signature in black ink, which appears to read 'Adrian Ferrin'.
