

## A NEW YEAR RICH OF NATURAL WELL-BEING

In all countries of the world, there is the good habit to make new resolution for the incoming new year. The most important of these dreams covers health. Tobacco and detoxification are the priority at the end of the year.

HC has decided to encourage the realization of these dreams with two fantastic promotions for our natural well-being.

Two options:

1. **PACK RESTORE (FROM SMOKING) AND RELAX:** 2 Notobacko + 1 Proteox + 1 Relax and have a Renew for free
2. **PACK RESTORE (FROM SMOKING) AND ENERGY:** 2 Notobacko + 1 Proteox + 1 Energy and have a Renew for free

*PACK 1. Follow the instructions and consume 2 boxes of NOToBACKo, then take 1 Proteox + 1 Relax: you will be less disturbed by the bad habits of smoking and your cells will begin to be free of the poison...*

*Your organism will be restored and your cells will find the right functional and vital energy. You will feel clean and calm for a better management of your daily life.*

*HC Renew will complete the renewal cycle restoring all your stressed cells.*

*PACK 2. Follow the instructions and consume 2 boxes of NOToBACKo, then take 1 Proteox + 1 Energy: you will be less disturbed by the bad habits of smoking, and your cells will begin to be free of the poison.*

*Your organism will be restored and your cells will find the right functional and vital energy. You will feel clean and toned for a better management of your daily life.*

*HC Renew will complete the renewal cycle restoring all your stressed cells.*
